The Pandaw Experience

The Pandaw experience is all about exploring remote and often hard-to-navigate rivers and coasts in specially-designed luxury small ships. Each ship, hand-crafted in brass and teak, is an object of beauty in itself.

There are plenty of quiet spots to be discovered where you can read a book, write your travel journal, or simply meditate on the spectacular passing landscape or to chat with like-minded travellers friends old and new. Pandaw designs its ships with 360-degree promenade decks that allow our passengers the freedom to interact as much, or as little, as they like. It all adds to the famous 'Pandaw spirit' that brings so many guests back on board time and time again.

Classic Mekong

There can be no tapestry of river life as fascinating and varied as the River Mekong. Discover the cultural contrast between the bustling Vietnam delta and the tranquillity of Cambodia. From the vibrant French colonial port of Saigon, through the vast delta so rich in human life and endeavour, to travel along the main channel into the rich countryside of Cambodia. With a full day in charming Phnom Penh we then explore remoter waterways as we progress to the great monuments of Angkor.
